

2024 Conference Prospectus

National Scleroderma Conference

National
Scleroderma
Foundation

The National Scleroderma Conference connects people living with scleroderma and leading healthcare experts. Nearly every aspect of this complicated disease is addressed at Conference to help people with scleroderma live their best life possible.

In 2024, we invite you to join us July 19-21 in Seattle, Washington. The rich educational and networking opportunities attract 600+ people annually. Participants include those living with scleroderma, caregivers, family members, physicians, and research scientists.

Email corporate@scleroderma.org for more information.

Exhibit Hall

Reserve your spot to showcase your products and services at the National Scleroderma Conference! The exhibit hall is open to all attendees during the conference, Friday - Sunday, with dedicated, unopposed times scheduled throughout each day. We drive attendee traffic to our exhibit hall through exciting incentive programs with prizes and by promoting our exhibitors on the conference website and in the program book.
